STUDIO CULTIVATES PLAYGREEN PRESENTS FRIARS AND FRENZIES

INSPIRED BY 'A MIDSUMMER NIGHT'S DREAM'

Within the infant rind of this small flower Poison hath residence and medicine power.

Two households both alike in dignity are at war on the streets of fair Verona and there is just one question - Are you a Capulet or a Montague?

Romeo and Juliet wish to elope but as the feud between their families boils over it's going to take a potion or two to halt the bloodshed and allow love to conquer all. Luckily Friar Laurence is at hand with an osiers basket of herbs and directions to the nearest apothecary. But which plants are pleasant and which are poison?!

Explore the most famous love story of all time through PlayGreen's unique mix of story-telling and outdoor exploration. In 'Friars and Frenzies' you will search for Shakespearean scrolls, gate-crash the greatest party Verona has ever seen, dramatically defend your turf and create an authentic 16th Century Primrose purgative potion that may —or may not-save the day!

PlayGreen is an exciting hybrid of outdoor theatre and garden exploration that uses plants, animals and the natural world as a means to explore stories old and new. A vibrant mash-up of performance, play and participation!

A typical Play Green event can include botany, history, literature, science, maths, art, physical education and drama. Something for everyone! As well as a day packed full of adventure, each participant will leave with a take-home element as a memento of the day.
