STUDIO CULTIVATES PLAYGREEN  
PRESENTS  
SEA, SPIRITS AND  
SLUMBER

INSPIRED BY SHAKESPEARE'S 'THE TEMPEST'

Where the bee sucks, there suck I:  
In a cowslips bell I lie;  
There I couch when owls do cry.  
On the bats back I do fly

## A tempestuous storm

strikes a ship! Thunder and lightning tear down the mast, a fire ravages the deck and the mariners hurl themselves overboard!

Amongst the flotsam and jetsam of this terrible wreck you find yourself washed ashore Prospero's Island. But the isle is full of noises and nothing is quite what it seems.

Find out how to free Ariel from a pine prison. Hypnotise Ferdinand with the sweetest music you can make. Collect firewood with a cursing Caliban and share a tippie or three with Trinculo and Stephano. If you can survive "Sea, Spirits and Slumber" then it's time to seek out some Valerian Root and concoct a genuine sleeping draught that would make Prospero proud.

**PlayGreen** is an exciting hybrid of outdoor theatre and garden exploration that uses plants, animals and the natural world as a means to explore stories old and new. A vibrant mash-up of performance, play and participation!

A typical Play Green event can include botany, history, literature, science, maths, art, physical education and drama. Something for everyone! As well as a day packed full of adventure, each participant will leave with a take-home element as a memento of the day.

## Curricular Level:

Whilst PlayGreen workshops are written and delivered in a fun and inclusive manner, offering learning opportunities to a wide range of ages, this workshop is primarily aimed at Key Stages I+II.

"PlayGreen - The holy grail of cross-curricular education"

Michael Holland - Head of Education, Chelsea Physic Garden
